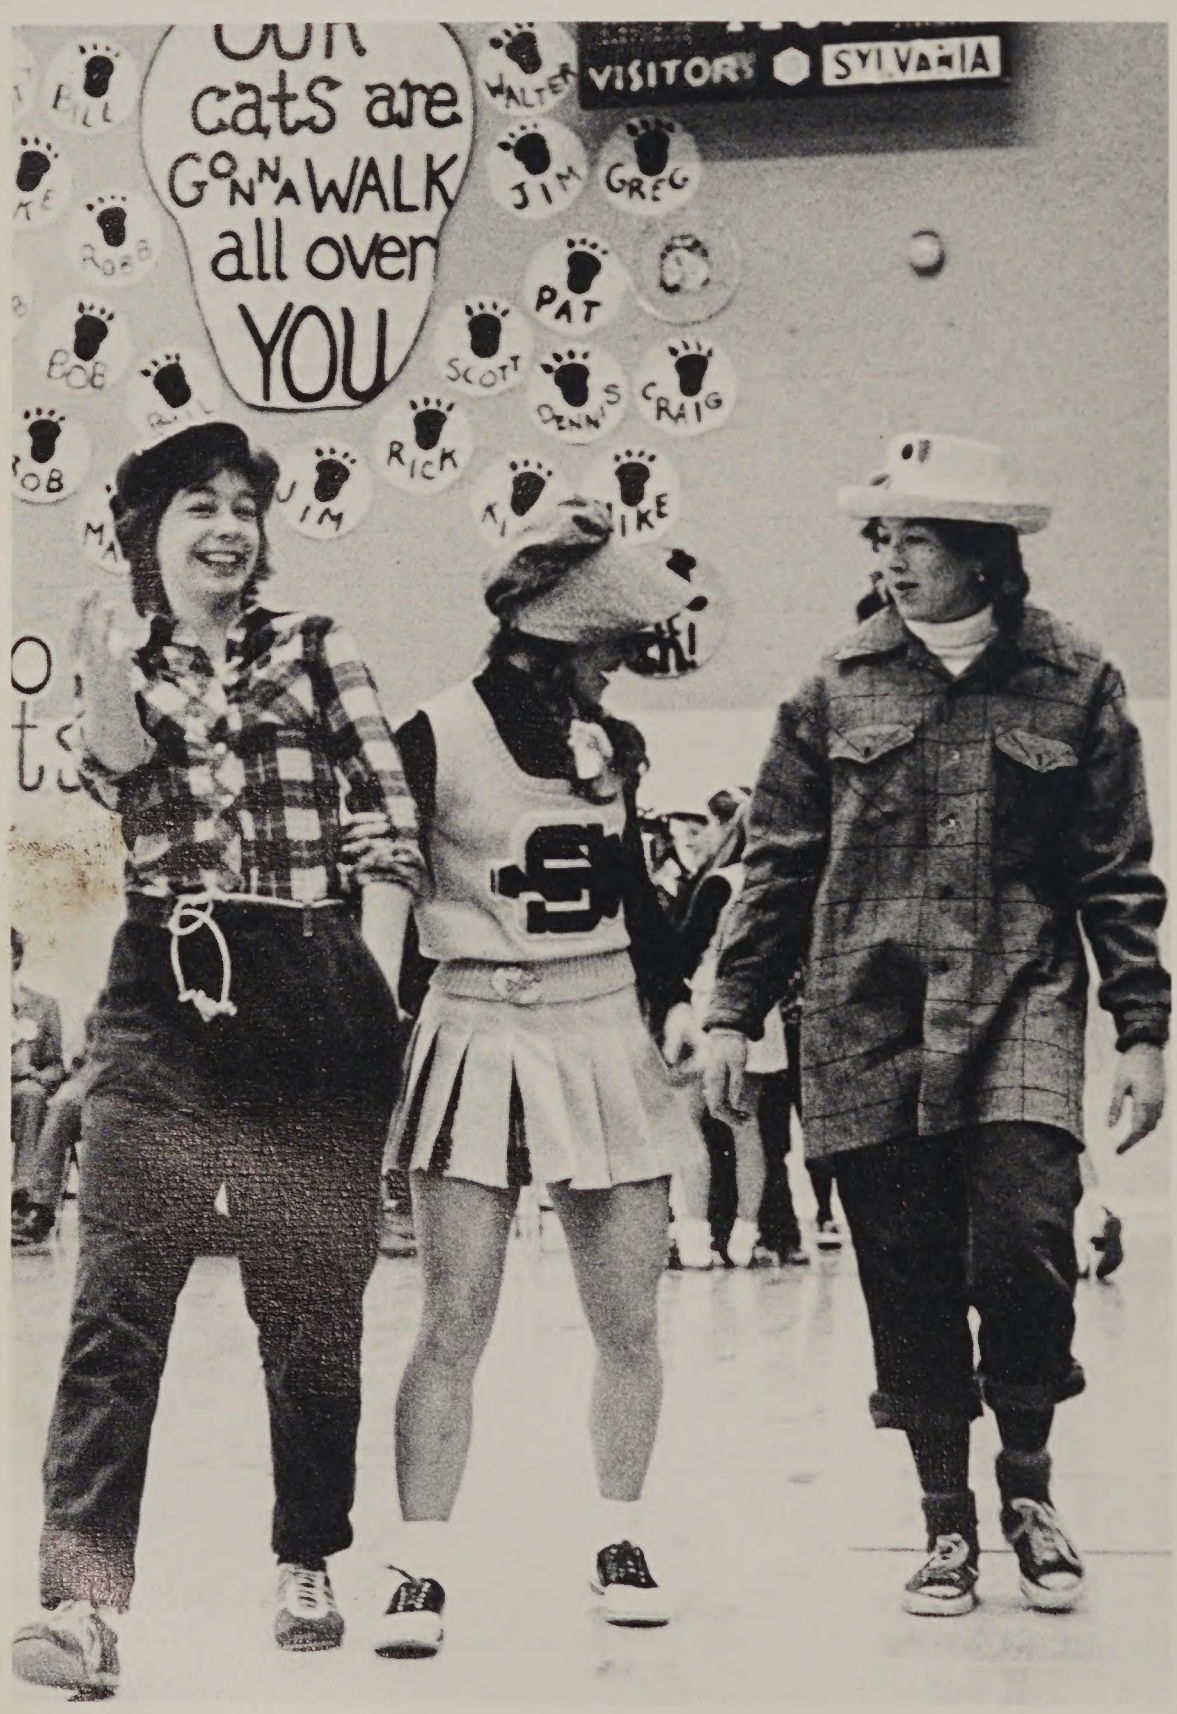
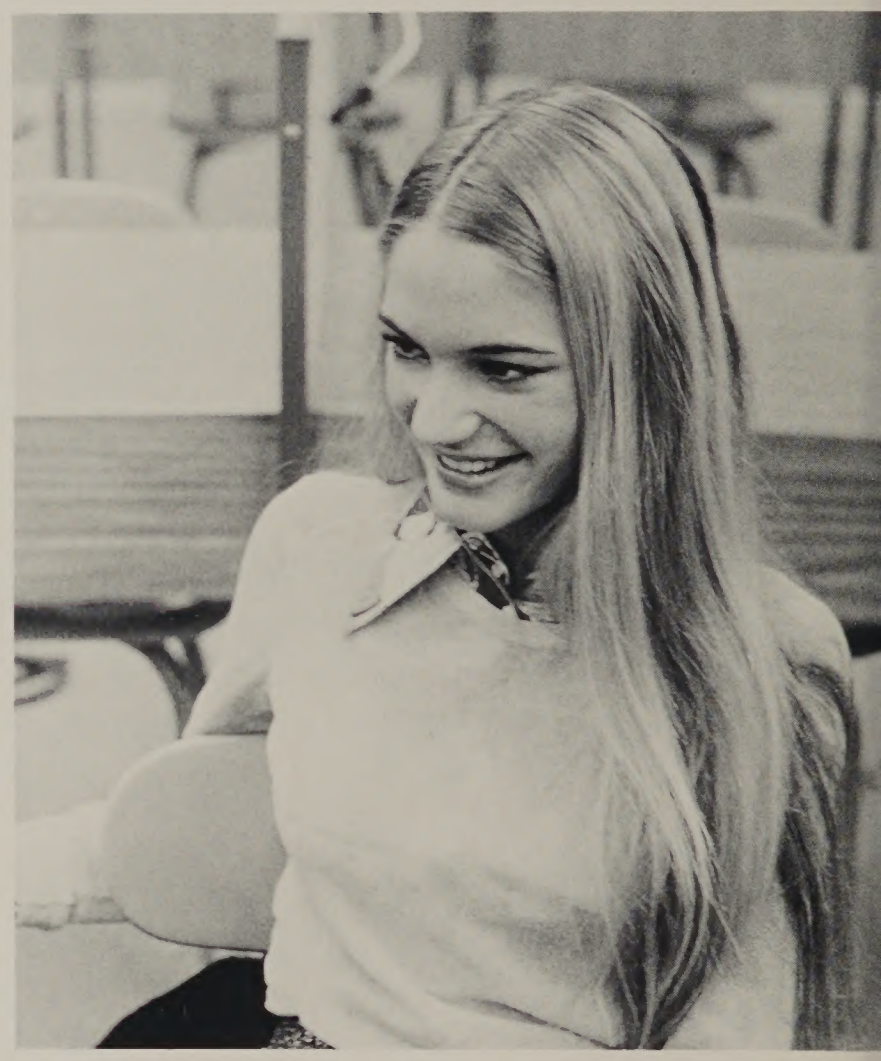
JUNE
SEPTEMBER
NUARY

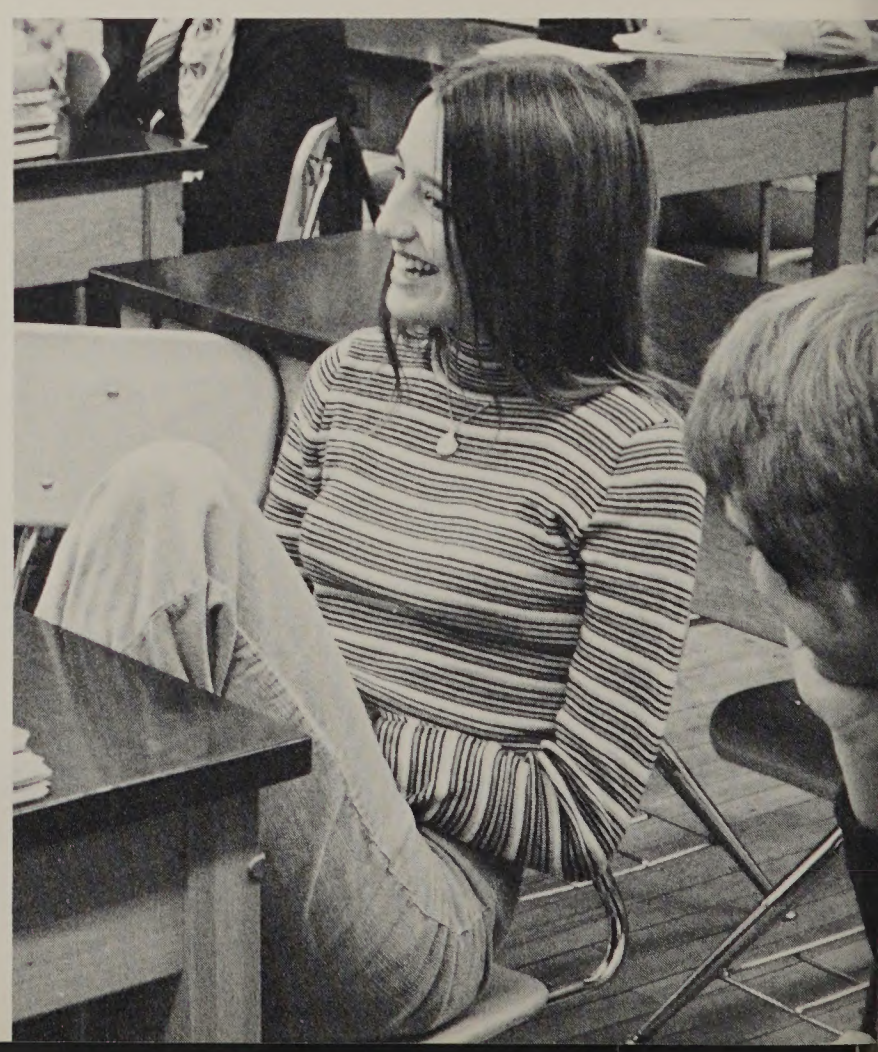
A year . . . the word seems to indicate a long, extended period of time. It takes a "year" to finish a tough test; a "year" to get through the crowded lunch line; a "year" to find seats when you're late for an assembly. In the fall, the coming school year seems ten times that long, and yet . . . we're here.

Lisa,
It's really been nice knowing you even though I didn't get to know you that well this year but maybe next year. Oh well, see you then

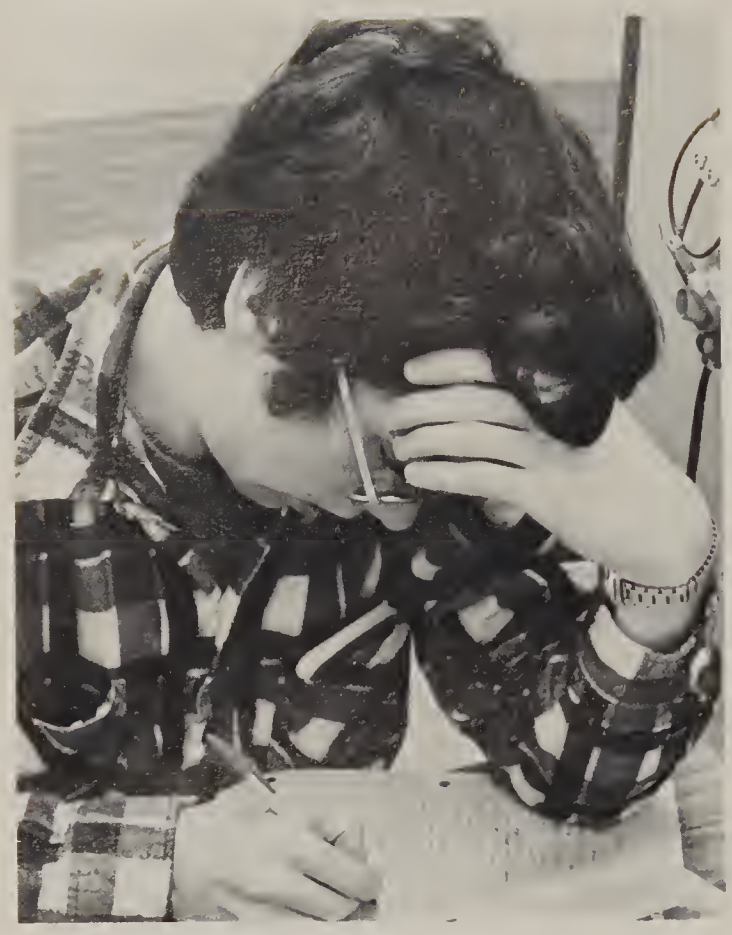
Friends,
Denise
artisan







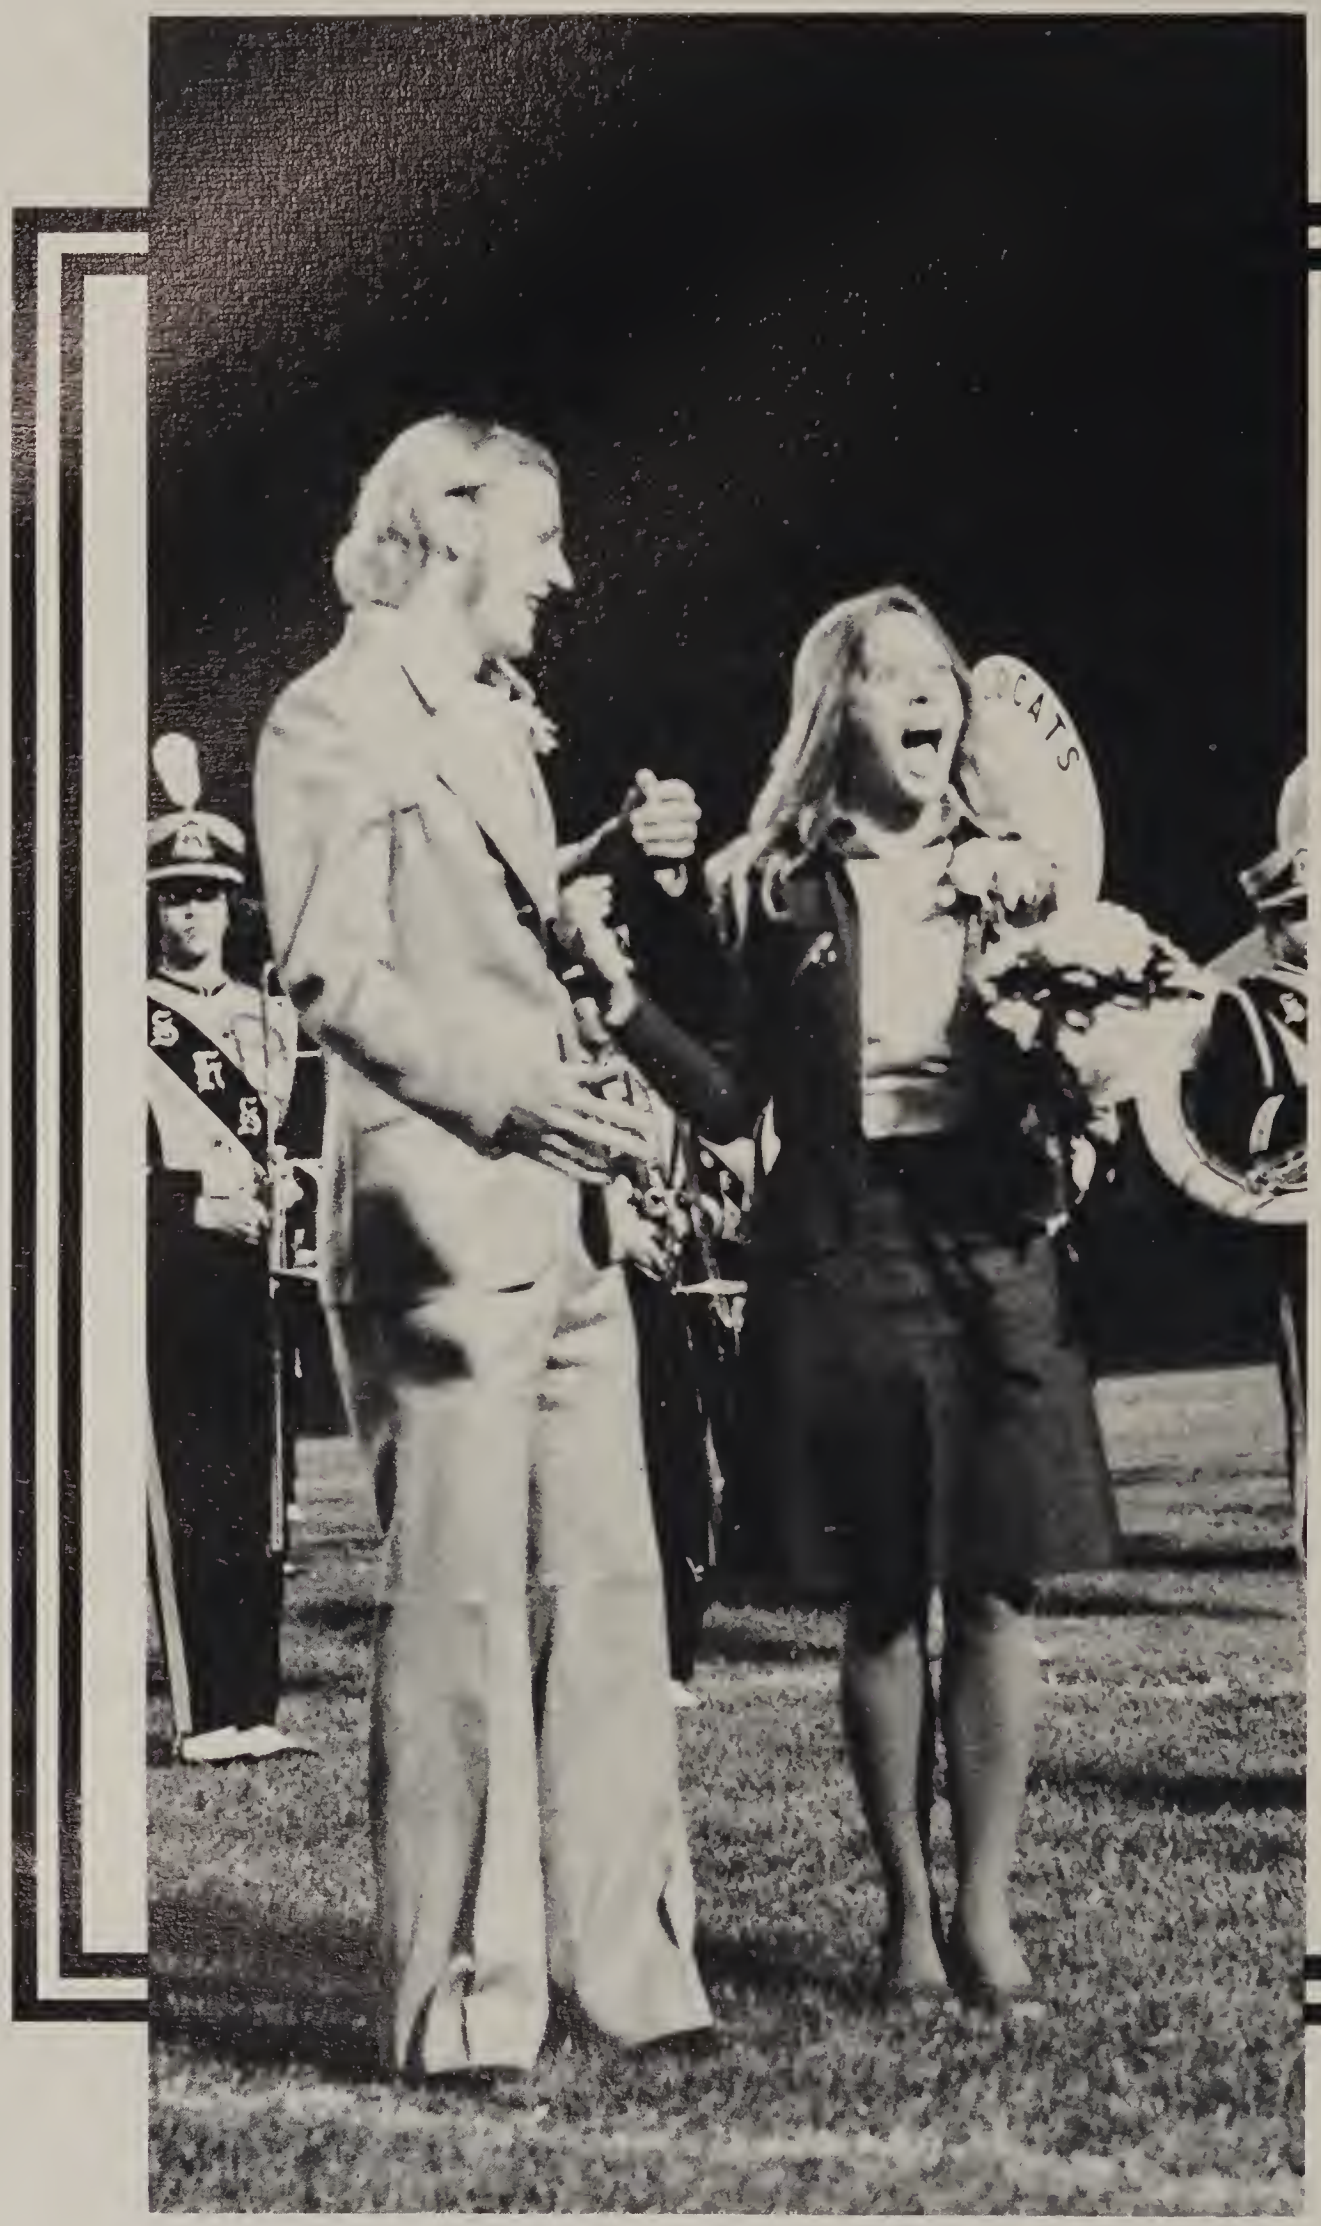
The good times, fun times, happy times, silly times, and victorious times are what we will remember most about Sylvania in the future. Times of shared experiences, laughter, smiles, secrets, and friends will add to the memories of this past year that we will always carry with us and cherish.



Other times existed, though. Times that were difficult and trying. Times that were boring. Times that made you wonder if you could come through successfully in the end after all. These times are more easily forgotten. They shouldn't be, however, for they made us what we are and provide the base for all we hope to be.

From the beginning, there was something special about this year — something that set it apart from all others. This year is the last for Sylvania High School. And because of this, a comradeship grew between all students from freshmen to seniors. Alone or in groups, together or apart, each worked to make this year one of the best.

A time exists for everything — a time for victory, and for defeat; a time for tradition, and for change; for settling in, and for saying goodbye. Most important to remember is there is always a time to do what we want to do — we only have to use it while it is still our own to use.



A TIME FOR

STUDENT LIFE

SHS . . .

. . . A TIME FOR LIVING!

Living and learning together —
Struggling through defeat,
Rejoicing in victory,
Growing in mind through each other,
Being together while time allows,
Separating when we must.

THOUGHTS

That is the only true time, which a man can properly call his own — that which he has all to himself; the rest, though in some sense he may be said to live it, is other people's time, not his.

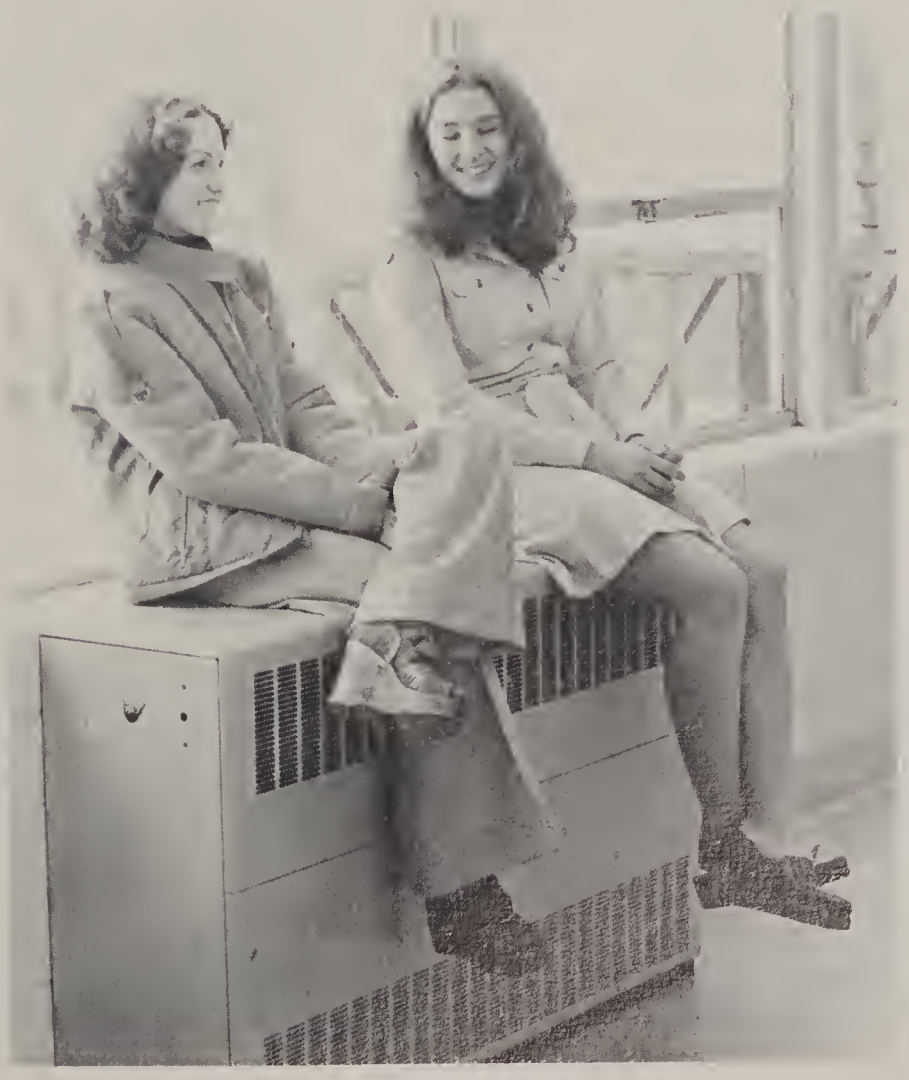
IS SHOES

WE'LL GET BY WITH A LITTLE HELP FROM OUR FRIENDS



High school begins with the whirl of fall leaves. It's a gold-plated megaphone dangling from a dainty chain. It's buying all the latest fashions, then babysitting. It's meeting friends, watching the winning touchdown, and experiencing the thrill and sweat of a locker room after the struggle. High school is cramming for an exam that you'd rather forget. It's finding that special date for the big upcoming dance. It's a shiny bronze ring that catches the light, and it ends with a charm bracelet full of scattered memories. High school is growing up, and growing up is wishing you were young again.

It's a time for gathering, shouting, and clapping.
A time for singing, dancing, and laughing.
A time for sharing, learning, and growing,
but most of all . . .

QUIZ BOWL

The team that's always
On its toes,
Is the team with brains
That sits in rows.

A player must have
Intelligence and a quick reflex.
These qualities are necessary,
Regardless of sex.

Practices are difficult
Twice a week after school,
Concentrating on trivia
Or you feel like a fool.

The pressure is on
For if they lose one game
They're out of competition
And achieve no fame.

1/ Junior Paula Mechling winces following a wrong answer.
2/ Concentrating on a challenging question are seniors Denise Elms and Kelsey Kruse.
3/ Juniors Bill Charlesworth and Tom Moylan prepare a quick response.
4/ Conferring on an answer are junior Paula Mechling and senior Paula Thornhill.
5/ Quiz Bowl advisers Mrs. Sue Fisher and Mrs. Vivian Hutchisson fire questions to the team during a practice.

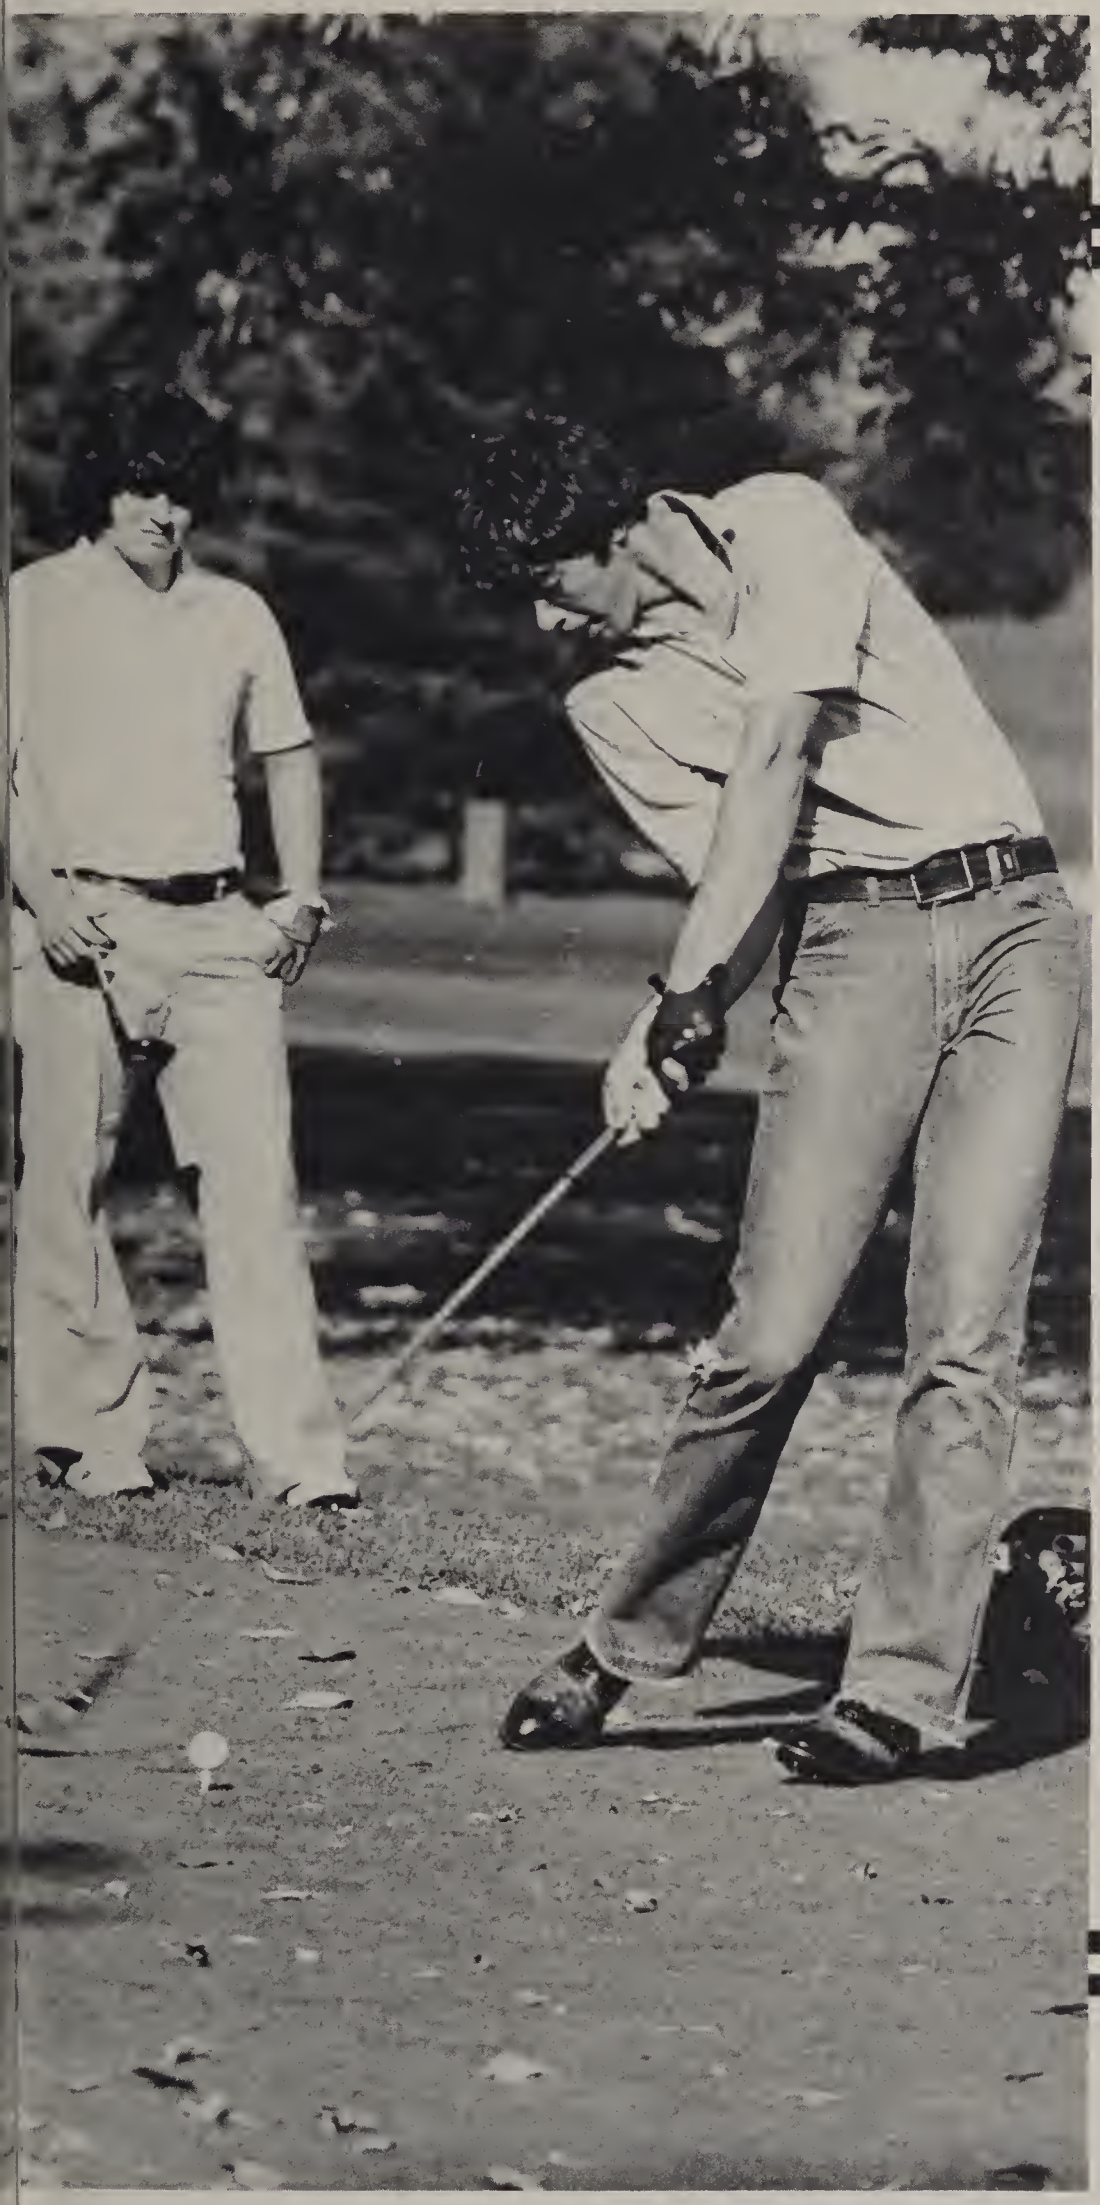
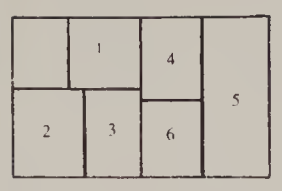
A TIME FOR . . .



SPORTS

CROSS COUNTRY

Hot summer days found Sylvania's dedicated runners covering miles of "overdistance." Mr. Horst Brauner took over as coach and put the team through work-outs in preparation for the season. Feeling the effects of a tough schedule, the harriers got off to a slow start. They finally put it all together with a fourth place finish in the Perrysburg Invitational, and defeated Whitmer, Fostoria, Rossford, and Clay. More hard training brought the team to a peak for the GLL meet where the 'Cats won their tenth consecutive league championship.



1/ Sitting alone, junior Dave Walker gets psyched up before the GLL race at Olander Park.
2/ Senior Walt Bockert holds his lead on a Whitmer competitor at the Perrysburg Invitational.
3/ Sophomores John Harrison and Kurt Dennis run together in the league meet as they did throughout a successful season on the varsity team.
4/ First man, senior Eugene McCormick, was the only Sylvania runner to qualify for the State meet.

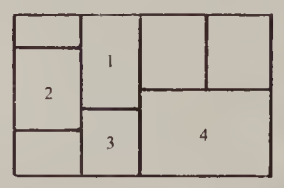
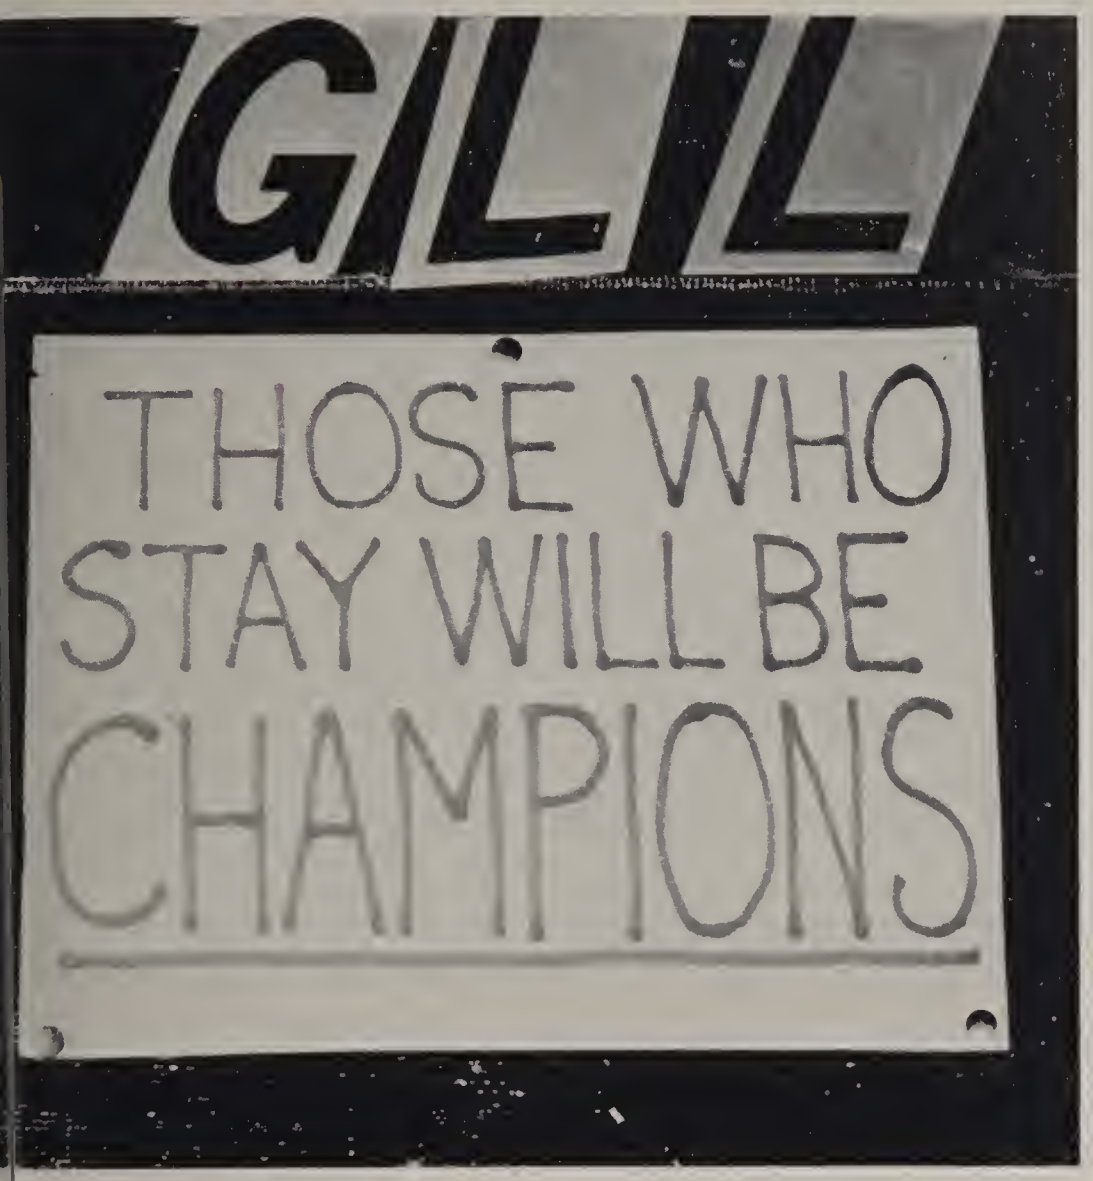
4/ Emotions ran high as senior Keith Sepessy scored the first touchdown in the 16-6 romp over previously undefeated Woodward.





"Those Who Stay Will Be Champions"

On the wall of the varsity locker room, these words stand as a testament to the first GLL football championship in 19 years.

Dedication, desire, and hard work are all requirements for a championship team. Still this is not enough; one more ingredient is needed — patience. Winning doesn't happen overnight. It begins freshman year as fundamentals are learned and interest is increased. It continues through the sophomore and junior years where some athletes play varsity, but many go the long route; gaining valuable experience through the junior varsity program.

It reaches a climax senior year. Over a period of 16 weeks, starting in mid-July, a minimum of 218 hours are spent in practice and an additional 75 hours are spent at scrimmages, films, and games. These hours are filled with pain, sweat, mud, cold, rain, anguish and triumph, victory and defeat. But through it all they stayed . . . and they are truly champions.

GOLF

Golf is much more than hitting a little white ball around a big open field. To be a successful golfer you have to attain a high technical degree of skill through constant practice. You must have tremendous concentration, an even temper, and be extremely competitive. You must feel personally challenged to beat the man you are playing against. It was this sort of competitiveness that spurred on this year's linksmen to their tenth consecutive GLL championship.

WRESTLING

The Sylvania grapplers completed one of their finest seasons in years. Conditioning and guts were the strong points of the team. The following words of Greg Johnson, two-time NCAA champion from Michigan, best describe the preparation and pressure of each successful team member. "You have to be mentally hungry. There are a million times in a match when you can give up. You have to condition your mind so that no matter what happens you are always on the offensive. Pushing yourself when you are extremely tired will build those guts so your mind will never give up."

HOCKEY

You've Come A Long Way Baby
In A Very Short Time

Whereas Sylvania also fields a third hockey team, in addition to the Junior Cats and the Varsity, called the Junior Varsity, which finished with a record of 6-6-2,

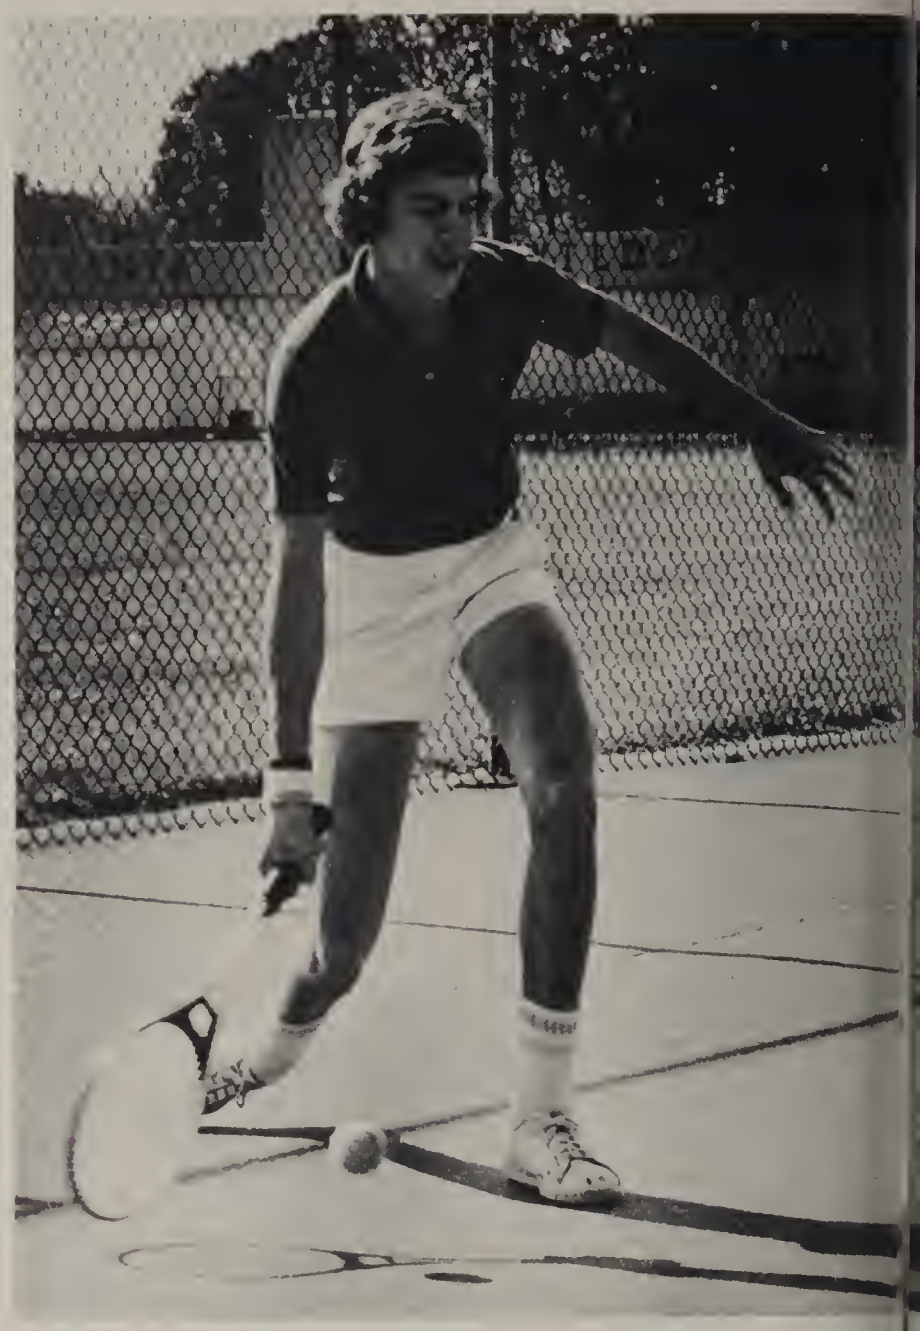
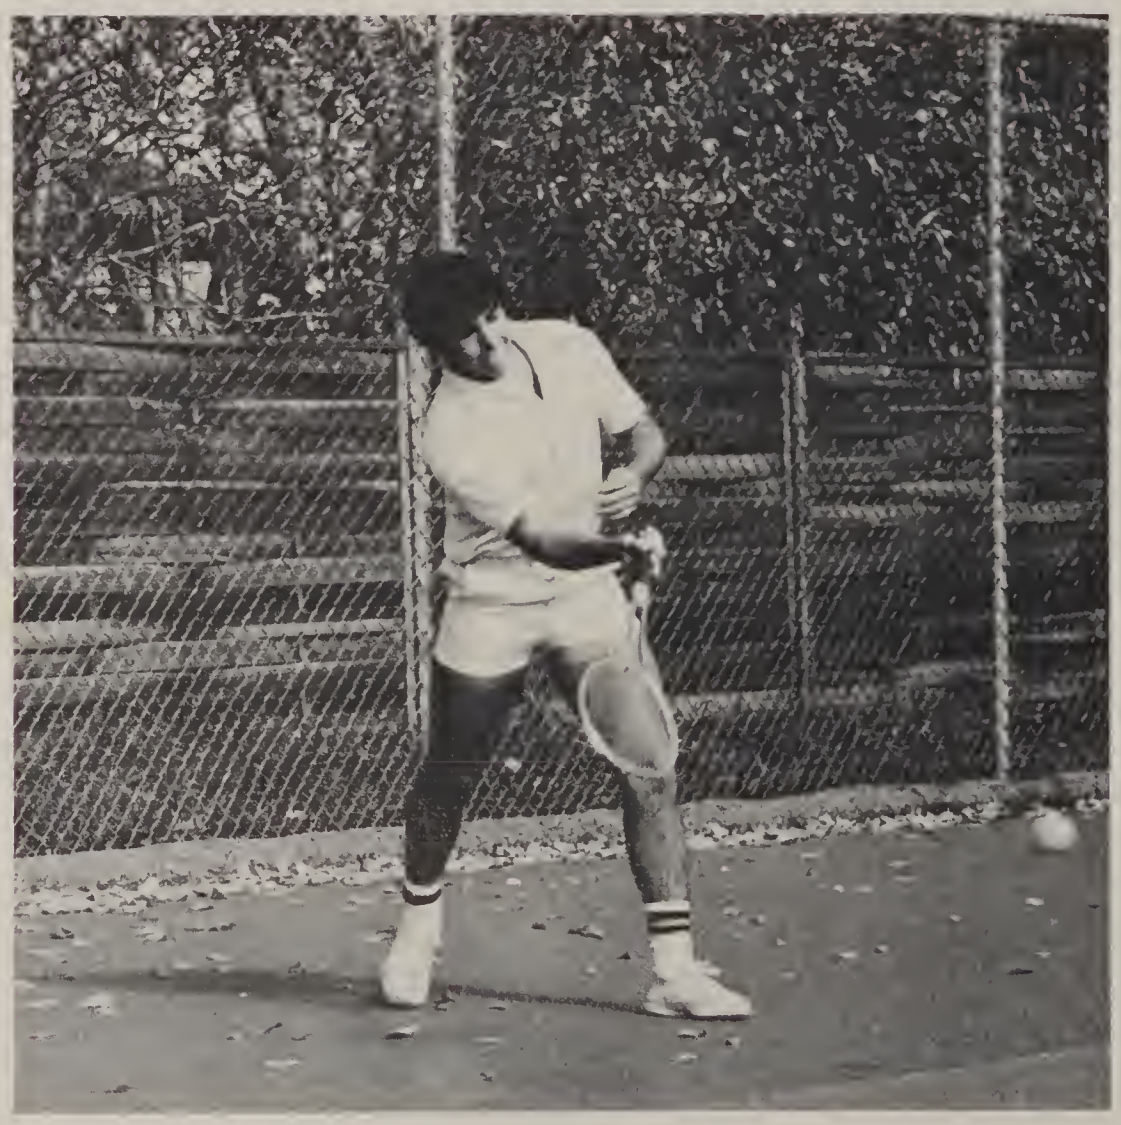
BOYS TRACK

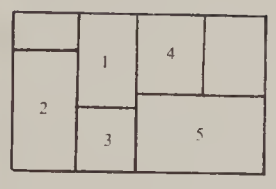
To achieve success in track, the sportsman has to give that little extra which makes the difference between victory and defeat, triumph and failure. The young, unheralded cindermen rose to the occasion last year, and in the GLL championship, where they were predicted to be among the cellar-dwellers, they capped off a fairly successful season with a respectable third place finish.

BOYS TENNIS

With a strong nucleus of seniors, and a talented group of newcomers gaining valuable experience, the Sylvania boys varsity tennis team continued their winning tradition by successfully defending their ninth consecutive GLL championship.







1/ Reaching for a low back court return is junior Neil Roth.

2/ Junior Dave Raab demonstrates the skill which led he and junior Jake Reinbolt to the district tournaments.

3/ Concentrating on his backhand shot is junior Jim Harding.

4/ Junior Jake Reinbolt displays his powerful backhand which helped him win many of his matches.

SOCCER

Soccer is a universal sport that can be played anywhere or anytime. All that is required is a soccer ball. However, much more is necessary to excel in this sport. Determination, desire to win and the concentration of eleven men all working together produces the common goal — victory. The 1975 Wildcat soccer team possessed all of these qualities plus more, and tallied a successful 5-3 season.

A TIME FOR . . .

ACTIVITIES

Hi, J.M. — Well, we've made it through another year. Amazing isn't it, considering all the crazy things we've been through. Remember when we went to the International Dessert? I must have eaten one hundred cookies, but all one hundred of them came up again listening to those sick Wyandotte announcements. Yet low and behold, I got fattened up at the IOE spaghetti dinner. It was great seeing Mr. Davis up and around again to direct us in the Christmas concert. I didn't think we did so bad considering we only had thirteen practices. I'm so glad we joined the ski club and learned how to ski. I still can't stop without running into a tree, though. At least we don't have to sell any more candy. Boy, weren't those Cat-ette practices after school hard? We couldn't

have made it at half time without the Pep Band. They did a super job. Painting signs for the Pep Club was never easy, but really worth it. I thought they really livened up the gym. Thanks for the pink carnation you gave me for Valentines Day. Wish I had gotten some red ones. Remember our booth in the Mardi Gras? Wow! That was a riot! Still wish you would have been picked Queen. I'm relieved to know that we are part of I-Questers. It could help get us into college. Wish we were going to the same school next year. Not much more to say except thanks for making this year a great one. Hope to see you this summer. Have a happy and good luck the rest of '76.

Your third period nap partner,

J.B.

The time has come . . .
The Sylvania High School we know will no longer exist. Throughout this year the thought of saying goodbye was present only in the back corners of our minds. Now we are compelled to face the reality of the situation. It will be difficult to break with the past and its traditions. It will be difficult to begin anew. " . . . Nothing in life stays and it's beautiful that they go in order for the next thing to come." — Rod McKuen.

You Can Become The Owner Of A Bottomless Money Barrel!

Suppose you decide to save $25 a month. At the end of 20 years you would have saved $6000 of your own money. Compound interest at People's Savings current Passbook Rate of 5¾% per annum would add $4637.89, making a total in your account of $10,637.89.

Then you could start spending instead of saving. You could spend (or withdraw) $25 a month from your account each month for the rest of your life. As a matter of fact, $25 can be withdrawn forever . . . . and ever . . . . and the account would never run out of money. It would always have more in the account than when you started spending.

That is the "Bottomless Money Barrel" — acquired through People's Savings 20 Year Save/Spend Plan.

Looking toward the future . . .

As supplies of natural gas and oil continue to grow scarce, electricity will play an even larger role in meeting the expanding energy needs of our society. That's why Toledo Edison is developing new sources of energy, such as nuclear power, and planning ahead for the power needs of 1990 and beyond.

We're determined to meet this challenge and provide the best possible electric service for your generation and others that follow.

Bruce C. Shaw C.L.U.

We can unbiasedly say that the class of '76:

1. successfully lived through the strains & stresses of everyday life at SHS
2. showed that the last is undoubtedly the best as they bid farewell to a unified Sylvania High School
3. has more spirit that any class preceding it, and more than any class following it can hope to have
4. threw the best parties
   worked the hardest
   accomplished the most
   and by far, had the most fun.

Good Luck Class of '76

Our American heritage is based upon self-reliance and the efforts of hard working people. From many ethnic origins we have joined together to accomplish mutual goals through the free enterprise system. The employees of Libbey-Owens-Ford Company are proud to be a part of that tradition; established more than 100 years ago in a small but enterprising glass-making shop. We've got the spirit of '76.
